NEWSLETTER

Dear Parents and Carers,

As we draw to the close of Term 1 I would like to thank and congratulate the students and staff on their dedication to education this term. Not only has it been the first full term of school we have had for over 2 years it was also the first time we have had an 11 week first term for a very long time. I feel this break is needed by many but in particular our Prep students. They have done an amazing job and have grown so much in the short time they have been at school. Well done kids.

This Friday 8th April is the last day of term 1 and school finishes at 2:30pm. There is no bus service on Friday afternoon so please make arrangements to collect students from school.

I received an update from Dept of Education today to inform us that students and staff will continue twice weekly testing for the COVID virus for at least the first half of term 2. Additional boxes of RA Tests have been given to students today so tests can be completed before students return to school next term on Tuesday 26th April.

ANZAC Day this year is on Monday 25th April and this day will be a public holiday. As in other years, the school invites students of all ages to join us for the parade in Paynesville. Students are requested to wear school uniform and will meet on the corner of King and Main Streets 15 minutes before the start of the parade, usually 8:45am. We march and attend the service together before being collected by families in front of the cenotaph. If you have any questions please contact me on 51566382 before the holidays begin.

Kind regards,

Anna Duncan
