NEWSLETTER

Tuesday 18th July 2023

Dear Parents and Carers,

Thank you to the generous families who have purchased boxes of donuts to support the Room 4 and 8 Big Bears Donut Fundraiser. The paper and cash orders close this Friday and online ordering is still available until Tuesday afternoon. The donuts will be delivered to school at 2:30pm on Wednesday 26th July. Please organise who will be collecting your donuts!

This week there have been a number of reported cases of Covid-19 and it is beginning to affect staffing levels. It is our aim to protect staff as much as possible to keep classrooms as consistent as possible. If students are showing symptoms of a cold or flu please keep them at home until all symptoms have resolved. The current advice for people who have symptoms of covid are to test, isolate for 5 days or until symptoms are gone, rest and recover. Family members can assist to reduce the spread by wearing a mask in public places. RA tests are available from the East Gippsland Shire Council at no cost. We do have a small number of tests here at school so please ask if you need any. At school, students and staff will continue to wash their hands after eating and play breaks. Masks are available for students if they would like to wear them.

Students in room 1 and 2 had a visit from the Paynesville CFA today which they thoroughly enjoyed. CFA members talked to the children about fire safety and had the opportunity to see how a fire truck operates. Thank you to the CFA members for coming along and working with our students.

Next Wednesday our Junior School students will celebrate being at school for 100 days this year! Classroom teachers will be providing families of activities that they will be doing in class on this day.

Our new lunch orders from the Paynesville Bakery started last Thursday and seem to be very successful. I tried out the chicken and salad roll last week (for research purposes of course) and was very impressed with it. There have been a couple of small teething problems, but these have been managed quickly by the providers. Lunch orders are available Monday and Thursdays.

Have a wonderful week.

Principal

Child Care Subsidy Fact Sheet

More families can now access cheaper child care with TheirCare!

- ▶ Families who were previously not eligible for CCS may now be eligible.
- ▶ A higher rate of CCS is available for most families that do access CCS.

From 10 July 2023, the Australian Government is changing the Child Care Subsidy (CCS).

What you need to know:

- The family income limit to be eligible for CCS is increasing from \$356,756 to \$530,000 per annum.
- The maximum amount of CCS is increasing from 85% to 90% for families earning \$80,000 or less.
- Families earning between \$80,000 and \$530,000 will receive an increased CCS rate.
- Aboriginal and/or Torres Strait Islander children can get at least 36 subsidised hours of early childhood education and care per fortnight, regardless of their family's activity level.

What you need to do:

- **Not currently registered for CCS?** If your family earns below \$530,000, you may be entitled to CCS from 10 July. You should check your eligibility now. Create a Centrelink online account through myGov or the Express Plus Centrelink mobile app.
- **Already get CCS?** You don't need to do anything to get the new rates. Services Australia will apply CCS changes automatically for you from 10 July.
- **Do you have an Aboriginal and/or Torres Strait Islander child?** You can access at least 36 hours of subsidised care per fortnight, by contacting Services Australia on 136 150 to update your child's CCS details. It is voluntary for you to tell Services Australia this.
- **Need extra support with child care fees?** If you are eligible for CCS and meet certain criteria you may also be eligible for Additional Child Care Subsidy
