Tuesday 8th August 2023

Dear Parents and Carers,

This year we are trying a new version of Book Fair. This week we have a huge selection of books on display in the art room. Thank you to Charlotte from Schoolworks and Mrs Bateson for arranging this. The books cover a wide range of ages and interests so there should be something for everyone.

A huge thank you to Amanda Pendergast, Emily Ford and all the senior team staff for organising a wonderful day at Howitt Park yesterday for the athletics carnival. Students had the opportunity to compete in 8 events across the day with the winners from each event qualifying for the next level at the District Athletics Carnival on Thursday 17<sup>th</sup> August. Although I was not able to be at this event, I have heard the students excelled at the sports, trying their hardest, demonstrated excellent sportsmanship and encouraged those around them. This is so rewarding to hear as this demonstrates our school values are alive in our school culture. Congratulations to all of the students heading off next week, parents are invited to attend and cheer our students along.

With the weather warming up during the days while still being chilly in the morning, we are having a large number of jumpers being taken off and left in the yard each day. Often, a staff member will collect them but so many do not have names and it is impossible to return them to their owner. Jumpers with names are returned immediately to the classroom, those without are taken to lost property. Can all families please check uniforms and ensure that they have at least the surname of the child on them so we can return them when left behind.

Next week, School Road between the school and the lake will have delays due to asphaltting and line marking to complete the next phase of the caravan park restructure. If you travel along this road to get to and from school, please allow additional time or use an alternative route.

Please remember that Monday 14<sup>th</sup> August is a student free day and there will be no school for students. On this day staff will be engaged in professional learning about developing students ideas and organisation of their writing which is an ongoing goal in this years Annual Implementation Plan.

Have a wonderful week.
