Dear Parents,

What a wonderful day we had yesterday. I apologise for the late newsletter but I was so tired after all the running, jumping and throwing yesterday. Congratulations to all the students who competed yesterday, it really was an amazing day. Your sportsmanship and enthusiasm made the whole day so enjoyable. Thank you also to the staff who helped get the equipment ready and supervised the activities. I would also like to recognise and thank Mrs Simpson for all the work she has done behind the scenes in preparing equipment, timetables and organising the weather. I am looking forward to watching the Junior students participate in their sports day today.

Considering that 2 of our regular suppliers of school uniform shorts, skorts, skirts and pants have recently closed in town the school is going to begin stocking options to cover the gap. There will be 2 styles of skorts available to purchase, both have the privacy shorts built in. There will also be 2 styles of shorts available, 1 microfibre and 1 micromesh. We may also consider stocking a school dress and tracksuit pants in the new year if required. It will not be possible for us to hold a full range of stock so orders for shorts, skorts, dresses and tracksuit pants will be available on an order basis. A pre-order form will be coming home soon and will be available on the website. Please call the office if you have any questions about uniform.

Finally, we would really appreciate your feedback about our school. The annual Parent Opinion Survey is open now and by following the link that was emailed on the 15th October, to provide us with feedback we can use to identify strengths and areas we can improve on.

Kind regards,
Anna Duncan

2020 Parent Opinion Survey

WE WANT OUR PARENTS TO TELL US WHAT THEY THINK!

Our school is conducting a survey to find out what parents think of our school. The Parent Opinion Survey is an annual survey offered by the Department of Education and Training that is conducted amongst all parents. It is designed to assist schools in gaining an understanding of parents' perceptions of school climate, student behaviour, student engagement and experiences of remote and flexible learning. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

All parents will be invited to participate in this year's survey. All responses to the survey are anonymous. This year, the Parent Opinion Survey will be conducted from **Monday 12th October** to **Friday 13th November**.

The survey will be conducted **online**, only takes **20 minutes** to complete, and can be accessed at any convenient time within the fieldwork period on desktop computers, laptops, tablets or smartphones. The online survey will be available in a range of languages other than English. These include: Arabic, Vietnamese, Mandarin, Chin (Hakha), Hindi, Japanese, Somali, Turkish, Punjabi and Greek.

A link will be emailed to families on Monday 12th October 2020. Please contact the office if you have

not received by Monday afternoon. Please speak to your child's teacher if you would like more information.
