Friday 3rd	Assembly @ 12.30pm via zoom Join Zoom Meeting https://us02web.zoom.us/j/84301394439?pwd=RDlmaGd5b0xwRTF4dXNXRjZ6VnlmZz09 Meeting ID: 843 0139 4439 Passcode: b3RHmZ
Friday 17th	Last Day of Term 3 - 1:30pm Finish
October	
Monday 4th	Start Term 4

Dear Parents,

As Term 3 draws to a close I would like to recognise some members of staff who have supported the school immensely over the past months and years. Welcome back to Jo who comes home from her caravanning holiday around Australia. As she comes back I would like to thank Laura for her amazing work in stepping into the Business Manager's role. This is a huge job that has so much responsibility and without a quality business manager the school does not run effectively. Laura has done an amazing job in this role. Laura will move back into her role as Administration Assistant so we thank Kelly for her work covering this role for the last 2 terms. We appreciate your knowledge and care for our students.

The school's Information Technology technician is also moving on and we thank Muhammad for his support, particularly the transition to remote learning last year. Muhammad has refined our network and managed to have all of our available devices connected for the first time in quite a while. Good luck in your next role.

And finally, we say a sad goodbye to Linsey Morgan who is moving to Queensland to be with her husband Robert who has relocated for work. The students of Room 8 have benefitted from Linsey's calm and friendly manner and she will be dearly missed by students and staff. We wish all of these people all the best as they move forward in their chosen careers.

Grade 3/4 camp has been moved to Week 1 of Term 4. Information has gone out to families and we hope the restrictions lift in time to allow our students to have a wonderful week at Camp Coolamatong. If this cannot happen in this week, we will be placed on a waiting list in case another school needs to cancel later in the year. Grade 5/6 are also on a waiting list for Term 4.

With the school holidays about to begin I would like to wish all our families a relaxing break and I hope you can all find time to be together with family after this time. Be kind to each other as this term has had its challenges once again. As soon as I receive updated instructions in regard to a return to face to face learning for all students I will be communicating this through UeducateUs so you may get a notification over the holiday break.

Take care

Anna Duncan

One of the most important things we can do to slow the spread of coronavirus (COVID-19) in our community is to stay at home when we are unwell, even when we have the mildest of symptoms.

What you need to know

1. If a child is unwell, even with the mildest of symptoms, they must stay at home

If a child becomes unwell during the day, they must be collected from school/early childhood education and care (ECEC) as soon as possible.

2. If a child has any of the symptoms of coronavirus (COVID-19) outlined below, however mild, they should get tested and they must remain at home until they receive their results:

- fever
- chills or sweats
- cough
- sore throat
- shortness of breath
- runny nose
- loss of sense of smell or taste.

In certain circumstances headache, muscle soreness, stuffy nose, nausea, vomiting and diarrhoea may also be considered symptoms.

For further advice:

- call the 24-hour coronavirus (COVID-19) hotline 1800 675 398
- call a general practitioner
- use the Department of Health and Human Services (DHHS) [online self-assessment tool](#).

Visit: [Where to get tested](#).

3. A child must stay at home until they are symptom free, even if their coronavirus (COVID-19) test is negative

If a person has tested positive for coronavirus (COVID-19) or been identified as a close contact they must isolate/quarantine until they receive clearance from DHHS.

Children with persistent symptoms due to underlying conditions such as hay fever or asthma whose symptoms are clearly typical of their condition can continue to attend ECEC/school. They should be tested for COVID-19 if they develop symptoms that are different to or worse than their usual symptoms. They should consider getting a medical certificate from their GP to attend ECEC/school if they have persistent symptoms that may overlap with symptoms of COVID-19 such as cough or runny nose.

Younger children (pre-school up to Grade 2) may have prolonged post viral symptoms such as a runny nose or cough and may return to school/ECEC following a negative COVID-19 test even if they are not completely free of symptoms. They will need a medical certificate from their GP to confirm they are otherwise well or have recovered from their acute illness.

For information on the minimum periods students and children need to stay at home for other conditions, refer to the [DHHS school exclusion table](#).

4. Children do NOT need a medical certificate before returning to school/ECEC

Once symptoms have cleared, there is no requirement from the Department of Education and Training or DHHS for children/students to have a medical certificate before they return to school/ECEC.

Thank you for your support in following these steps, together we can all stay safe.
