**MISSION 117 VOLUNTEER ORIENTATION**, June 23<sup>rd</sup> following worship in the Fellowship Hall: If you are interested in supporting families who are fostering or adopting, a role on a Care Community is for you! We will be having a training session for all who want to volunteer in these communities for all different roles. We have an immediate need for volunteers to support a family in our church. Contact Jesse or Andrea Peterson with any questions.

Sunday, June 30, we will have a "**5<sup>th</sup> SUNDAY POTLUCK**" following our morning worship service. Each family please bring a main dish and a salad or dessert to share. Tableware and drinks will be provided. Our offering that Sunday will go to our Building Fund.

**THANK YOU!** Phase 1 of our project is fully funded. Now on to Phase 2 – Work to be done includes roughing-in plumbing, electrical, sprinklers, pouring concrete floors, ceilings, and ceiling insulation. The construction crew is back working on the new church building as of last week! They finished the roof, and are now putting on the doors and siding! They then plan to continue forward with plumbing and concrete flooring! Thank you for generously giving through our envelope campaign! If you haven't picked up a few envelopes yet, please do so this Sunday!

There are three new "**D-Groups**" starting up this month! Do you desire to be in one? Now is the time to let us know! Our D-Groups are all about helping you learn to better walk with Jesus each day. They are gender-specific groups of 4-6 that regularly meet to encounter God's Word and hold each other accountable. **We already have several new groups in the works.** Let Pastor Jason know if you're interested in joining one of them!
