**Becker LLC Partner Martin Borosko Speaks at the
Massachusetts Staffing Association’s Annual Conference**

Livingston, N.J., April 2018 – Martin Borosko, Becker LLC’s Managing Partner and Co-Chair of the Staffing Industry Client Group, proudly represented the firm at the Massachusetts Staffing Association’s annual event on April 3, 2018 speaking on the topic “Maximizing Value on Exit Strategy.” Martin was joined by fellow panelists and industry partners Nick Florio from Citrin Cooperman and Dave Phillips from Childs Advisory Partners. The session was well attended and very interactive, filled with questions from the members of the audience.

“Our firm is very proud to be members of the Massachusetts Staffing Association and are honored to speak at their annual conference” said managing partner Martin Borosko. “I am always happy to share the lessons that our firm has learned about how staffing firms drive up their value. When you handle the number of staffing industry M & A transactions that we do, you see clear trends as to what makes one staffing firm more valuable than another and what steps owners can take to increase the value of their company.”
