FOR IMMEDIATE RELEASE

**Becker LLC to Participate in a Day of Community Service
at City Green Farm**

Livingston, N.J., September 25, 2017 – Becker LLC will be participating in a Day of Community Service at City Green Farm located in Clifton, New Jersey on Friday, October 6, 2017. The firm will tackle various projects on the farm. “We want to do our part to support City Green in their efforts to preserve nature and address the impact placed on the environment by urbanization,” said Martin L. Borosko, the Firm’s Managing Member. “We believe that it is important to contribute our time to fine organizations like City Green and look forward to a meaningful day of service,” he added.

City Green, Inc. is a non-profit organization dedicated to facilitating the establishment of urban farms and gardens in northern New Jersey’s cities to create increased access to healthy, local food while cultivating education in food systems, nutrition and the environment. They maintain two organic farm sites in New Jersey – a five-acre farm in Clifton and a one-acre site in Eastside Park in Paterson. Through their farms and markets, they aim to address issues of food justice and food accessibility through many programs which include community gardening, youth programing, school programing, horticultural therapy, and urban agriculture.
