

The Arts Alliance will hold a three-hour workshop at the Wynne-Russell House (4684 Wynne-Russell Dr.) on April 16 from 9 am to noon. Jack Ricketson will be the instructor. Jack is a University of Georgia graduate with a Bachelor of Fine Arts degree in Graphic Design and Commercial Art and has been an award winning designer and illustrator in the Atlanta area for over 40 years. He has worked for advertising agencies, creative houses, studios, printers, TV stations, and consulting groups, but still claims his first love to be the pencil.

This three hour workshop is open to both absolute beginners with no prior experience, who have a desire to draw and to accomplished artists who wish to sharpen their skills and accurately transfer their visions to paper or canvas.

We will cover everything from basic fundamentals to advanced techniques in pencil, charcoal, and pastel drawing - from contour line and perspective to light and shadow studies.

The subject matter can be your own personal choice. Either bring in a photo or still life of your own or draw from a provided mannequin or subject source of ours. This workshop promises to be fun and informative for all!
