Video Ministry Trainer

Mission Statement: The Video Ministry of Trinity Evangelical Lutheran Church serves members and guests, in remote locations, by providing and recording clear video images during worship in order to proclaim God's Law and Gospel.

Description: The Video Ministry Trainer is responsible for training new Video Ministry Technicians to serve in the Video Ministry of Trinity Evangelical Lutheran Church, and for coordinating annual continuing education for existing Video Ministry Technicians.

Qualifications:

- Communicant member of Trinity Ev. Lutheran Church
- Attention to detail
- Good organizational skills
- Dependable
- Aptitude for teaching
- Previous service as a Video Ministry Technician

Responsibilities:

1. Create and maintain a training curriculum for Trinity's Video Ministry Technicians.
2. Train new Video Ministry Technicians.
3. Arrange for each new Video Ministry Technician to have a mentor (an existing Technician).
4. Arrange for an annual certification event for all Video Ministry Technicians.
5. Serve as a member of the Video Ministry leadership team.

Time Commitment:

- 6 hours per month during training periods, and 1 hour per month when not training
- 1-year commitment

Relationships: The Video Ministry Trainer works with the Video Ministry Technicians and reports to the Video Ministry Coordinator.

Training: Initially the Video Ministry Trainer will work with existing Video Ministry Technicians and the Worship Pastor to develop a training program; thereafter the Trainer will be trained by the outgoing Trainer. The Trainer will have opportunity to participate in further technical and leadership development training as it is available.
