Re: 1st Quarter 2013 Estimated Tax Reminder & Individual Due Date

It's been our best tax season in 5 years! We truly believe we have the right team, the right clients and the right philosophies in business!

This year appears to have started a little slow, but we believe the economy will be stable to picking up. Result: possibly the best economic environment for small business in over five years!

REMINDER: 1st Quarter 2013 Estimated Tax Payments Are Due By April 15, 2013 (If necessary)

Be certain to remit your estimated tax payments and vouchers by April 15, 2013 (individuals, corporate and state composite taxes). Additionally, please keep a copy of your checks and vouchers for your records and forward a copy to Pro@ctive CPA for our records.

Remember your Pro@ctive CPAs offer year-end tax planning which allows us to make the most of the tax rules and regulations, depending on your goals, and we can re-calculate your estimated tax payments to allow for a more breakeven scenario.

FINAL REMINDER: INDIVIDUAL TAX DUE DATE IS APRIL 15, 2013

Additionally, April 15, 2013 is the individual and partnership tax deadline. We will need as much information as possible in order to calculate your extension (if we do not already have your information).

Seek greatness!

Your Pro@ctive CPA Team
