

Community Feedback Survey Regarding the Use of Off-Highway (OHV) Vehicles

We are interested in understanding how the local community feels the use of golf carts and off-highway vehicles (OHV's) within the Town of Silt. We greatly appreciate you taking the time to share your thoughts.

1. Would you or your family have a desire to use golf carts or OHV's on designated roads?

Yes

No

2. Do you or a family member own a golf cart or OHV?

Yes

No

3. Would the opportunity of driving one in Town

encourage you to obtain one?

Yes

No

4. What is your opinion of the regulated and controlled use of golf carts and OHV's on Town roads?

I think it would make it much easier to get around in town and a lot more convenient

5. What are your concerns regarding the regulated use of golf carts and OHV's in Town?

as long as people don't abuse the use of these every thing would be all right. also I think a age limit of 16 years old or older

6. In addition to the outlined rules that other communities implement, what additional concerns would you like to see addressed?

Must have lites and turn signals

7. Do you see a value to the community by allowing the regulated use of golf carts and OHV's on designated Town roads?

Yes. People who come into town wouldn't have to drive Big R.V. around to different places

8. Do you see a value in making a connection between the approved County roads and designated Town roads?

Yes. People could leave town on these machines and not have to find place to park R.V. and trailers

9. What other comments, observations and/or concerns do you have?

You need to check out how it is done in Meeker Co.

Miners claim

10. All vehicles shall be subject to all motor vehicle rules and regulations.

Questions:

1. Would you or your family have a desire to use LSV's, Golf Carts or OHV's on designated Town roads?
Yes why because if we would like to have a cocktail or two we would not want to drive home with our kids so we would lose this.
2. Do you or a family member own a golf cart or LSV's, Off Highway Vehicle (OHV)?
Yes
2 four wheelers.
 - a. If not, would the opportunity of driving one in Town encourage you to obtain one?

3. What is your opinion of the regulated and controlled use of LSV's, Golf Carts and OHV's on Town Roads?
~~I feel this would bring~~ In My opinion.

- I feel this would bring more tourists and more people to our community and town.
4. What are your concerns regarding the regulated use of LSV's, Golf Carts and OHV's in Town?
Safety. I appreciate that kids under 18 are going to wear helmets and have car seats.
5. In addition to the outlined rules that other communities implement, what additional concerns would you like to see addressed?
None

6. Do you see a value to the community of allowing the regulated use of LSV's, Golf Carts and OHV's on designated Town roads?
Yes like I said on (q1)

7. Do you see a value in making a connection between the approved County Roads and/or Federal lands and designated Town Roads?
Yes

8. What other comments, observations and/or concerns do you have?

Now that Miners claim has invented there own app maybe if there was a place on the app that said need a ride and all you do is press it and then it sends a location where you are at and then it sends a draft of the map to the

10. All vehicles shall be subject to all motor vehicle rules and regulations.

Questions:

1. Would you or your family have a desire to use LSV's, Golf Carts or OHV's on designated Town roads?

YES

2. Do you or a family member own a golf cart or LSV's, Off Highway Vehicle (OHV)?

Yes

- a. If not, would the opportunity of driving one in Town encourage you to obtain one?

Safety over Bridge across I-70

10. All vehicles shall be subject to all motor vehicle rules and regulations.

Questions:

1. Would you or your family have a desire to use LSV's, Golf Carts or OHV's on designated Town roads?

Yes. It would unquestionably define Silt

2. Do you or a family member own a golf cart or LSV's, Off Highway Vehicle (OHV)?

Yes

- a. If not, would the opportunity of driving one in Town encourage you to obtain one?

3. What is your opinion of the regulated and controlled use of LSV's, Golf Carts and OHV's on Town Roads?

I feel it would bring tourism, tax dollars and give Silt a needed "angle" which would define it differently from surrounding towns.

4. What are your concerns regarding the regulated use of LSV's, Golf Carts and OHV's in Town?

Insuring that we can branch South side of the river to downtown.

5. In addition to the outlined rules that other communities implement, what additional concerns would you like to see addressed?

6. Do you see a value to the community of allowing the regulated use of LSV's, Golf Carts and OHV's on designated Town roads?

7. Do you see a value in making a connection between the approved County Roads and/or Federal lands and designated Town Roads?

Yes encourage tourism / Repeat customer / annual vacation

8. What other comments, observations and/or concerns do you have?

Need access over to KOA + Holiday Inn

10. All vehicles shall be subject to all motor vehicle rules and regulations.

Questions:

1. Would you or your family have a desire to use LSV's, Golf Carts or OHV's on designated Town roads?

No

2. Do you or a family member own a golf cart or LSV's, Off Highway Vehicle (OHV)?

No

- a. If not, would the opportunity of driving one in Town encourage you to obtain one?

No

3. What is your opinion of the regulated and controlled use of LSV's, Golf Carts and OHV's on Town Roads?

I think it should not be allowed

4. What are your concerns regarding the regulated use of LSV's, Golf Carts and OHV's in Town?

Traffic Violation - speed stop sign runners

Using parks for play in with machines

5. In addition to the outlined rules that other communities implement, what additional concerns would you like to see addressed?

Do they have turn signals + Brake lights

I'm concerned kids will be on them more than they are now

I'm concerned people will use parks for different types of OHV for wheeling they run on trails.

6. Do you see a value to the community of allowing the regulated use of LSV's, Golf Carts and OHV's on designated Town roads?

No

7. Do you see a value in making a connection between the approved County Roads and/or Federal lands and designated Town Roads?

No

8. What other comments, observations and/or concerns do you have?
