

Good News Town of Silt Residents - Mountain Waste & Recycling has gone “Single Stream” for your curbside Recycling collection!!!

The Old Way

YELLOW CONTAINER: (Paper Products)

BLUE CONTAINER: (Co-Mingled)

Paper products were separated from the glass, metal and plastics and placed in separate containers.

The NEW Way -Single Stream Recycling!

The new program is called “single-stream” recycling. It’s the future for responsible resource conservation and an important step toward meeting the recycling goals of the Town of Silt community. Single-stream recycling makes it almost as easy to use the recycling bin as it is to use the trash can, so for the previously unconverted, there’s no excuse for not recycling.
