# ANNOUNCING...

## The easiest way to pay your bill

Our new online bill pay option saves you time and gives you more flexibility in how you pay your bill.

If you have an Internet connection and an email address, you can now pay your bill online. You are also able to "opt in" to paperless billing and receive an email notification when your bill is ready to view. It's fast, it's easy, and you no longer have to write a check each month or find a stamp when it's time to send in your payment.

### HOW IT WORKS

We have partnered with Xpress Bill Pay, the premier provider for online bill payment.

When you sign up for online bill payment you get a unique password that you use to access your personal account at [www.xpressbillpay.com](http://www.xpressbillpay.com). Every month we'll send you a reminder email to let you know when your bill is online.

Then, just log in through your Web browser and view your bill, which will look like the paper statement you're familiar with. Select a payment type — credit card, debit card, or electronic funds transfer — enter the information, and you're done!

It's that easy, and it only takes you a few minutes each month.

We're offering this service at the request of customers like you. Sign up today and see why so many people consider this the best way to pay their bills.

### ONLINE BILL PAYMENT FACTS

- It's free to sign up for online bill payment at [www.xpressbillpay.com](http://www.xpressbillpay.com).
- You can pay your bills with a credit or debit card, or you can transfer funds directly from your checking account.
- You can pay your bill from anywhere. Users outside the U.S. can contact our Payment Center anytime to make a payment or to set up an Auto Pay.
- No need to worry about late payments if you're out of town when your bill is due.
- After you complete the transaction, you can receive an email receipt to confirm that the payment went through.

- You can view up to a year's history of your account online, so you can compare your current bill to a year ago.
- If you'd like, you can select the Auto Pay option and your bill will be paid automatically each month.

### WHAT TO DO NEXT

1. Go to [www.xpressbillpay.com](http://www.xpressbillpay.com). We have partnered with Xpress Bill Pay to provide you with online bill payment service.
2. Click on the "Sign Up" button on the top of the home screen. Fill in the email and password fields, then click in the "I'm not a robot" box and follow the prompts.
3. Complete the short registration form and click "Next."
4. Go to your inbox and open the verification email and click "Verify Email". Then select "Continue" to log in.
5. Select your billing organization and follow the prompts for linking your bill.
6. Once your bill is added to your account, you can add another bill, view and pay your bill online, or setup a recurring auto payment schedule.

### AND THERE'S MORE!

Along with being able to make a payment online at any time you can also call the payment assistance center to make a payment over the phone.

Call 1-800-720-6847 or 1-385-218-0338 (from outside the U.S.) to speak with an agent and make your payment today! A phone payment fee may apply.

**xpress** BILL PAY

## **THE COST OF RECYCLING SERVICES IS INCREASING SIGNIFICANTLY!**

Unlimited and free recycling is no longer a realistic option where we live. The cost of collecting, transporting, and processing recyclables has risen dramatically, and therefore we must ask customers to pay according to the amount of materials they ask us to handle - whether those materials go to a local landfill or to a distant recyclables processing facility

### **IMPORTANT RECYCLING INFORMATION TO SHARE WITH YOUR NEIGHBORS:**

- ◆ Mountain Waste can take about two weeks worth of its recyclables to Pitkin County - that is our allotment for the YEAR!
- ◆ Once we have used up our allocation at Pitkin County, the closest recyclables processing/sorting facility to the Roaring Fork Valley is in Wolcott, CO - some 60 miles away.
- ◆ The next closest recyclables processing/sorting facility after Wolcott, CO is Denver - about 180 miles away.
- ◆ Haulers pay a substantial fee to empty their recyclable materials at a processing facility PLUS the cost of transporting these items great distances. Taking recyclables to Denver and emptying the truck at a processing facility costs just about twice as much as burying the materials in a local landfill.

## **PREPARE YOUR RECYCLABLES LIKE A PROFESSIONAL!**

Proper preparation of your recyclable materials makes a big difference! Knowing what goes in the bin, how it should be prepared, and what NOT to put in the bin produces a better overall result at the processing /sorting facility. Please take a moment to read through this brochure to improve your recycling I.Q..

### **Mountain Waste & Recycling**

P O Box 999  
1058 County Road 100  
Carbondale, CO 81623

Phone: 970-963-3435  
Fax: 970-963-4205  
Email: [getmountain@mountainwaste.com](mailto:getmountain@mountainwaste.com)

## **MOUNTAIN WASTE & RECYCLING**

### **Two Sort Recycling Guidelines:**

#### **How to Prepare Your Recyclables for Collection and Processing**

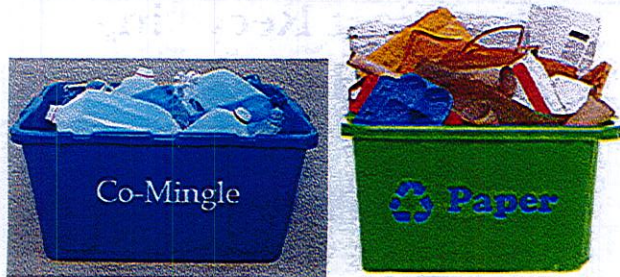

### **ENVIRONMENTAL MATERIALS MANAGEMENT DONE RIGHT!**

Telephone: 970-963-3435  
[getmountain@mountainwaste.com](mailto:getmountain@mountainwaste.com)

Published 12/15/15

## TWO SORT RECYCLING SYSTEM

### You Sort, We Sort, and the Facility Sorts Even More!

Mountain Waste employs a "Two Sort" system for collecting recyclables and taking them to the nearest recycling processing facility. This system of dividing the recyclables into two main groups is required by the recycling processing facility that we utilize. We do not own the facility, nor do we set the terms of accepting the recyclable materials.

Here is how the processing facility wants each of us to prepare the recyclables:

**FIBER** - such as newspaper, office paper, un-coated cardboard (flattened), cereal/food boxes, telephone books, magazines, & junk mail

**CO-MINGLE** (everything else that is accepted by the MRF) - such as aluminum and steel cans, #1 - #7 plastic bottles/containers, and glass bottles

### "Two Sort" Recyclables Take a Shorter Trip, But They Still Go a LONG Way

Mountain Waste & Recycling transports about 80% of the recyclable materials that it collects to the nearest processing facility which is located in Wolcott, CO and owned by the Eagle County government. This is the closest recycling Materials Recovery Facility (MRF) to our area of Colorado and is about 60 miles from Carbondale. This facility requires us to bring your materials to them sorted into two groups.

*Please take a moment to prepare your recyclables for their long journey:*

1. **FLATTEN ALL CARDBOARD**— cardboard takes up a lot of space in the truck if you forget to break it down; please flatten your boxes
2. **CRUSH PLASTIC BOTTLES AND CONTAINERS**— put the cap back on the bottle once you have flattened the bottle—this traps the air out and shrinks the bottle for more efficiency in the truck

### Items That Are NOT ACCEPTABLE!

Please, please, please – **DO NOT PLACE YOUR RECYCLABLES INTO PLASTIC BAGS** for collection. The plastic bags cause damage to the sorting equipment at the MRF and can contaminate the load causing everything to go into the landfill

- ◆ **NO PLASTIC BAGS** – plastic bags can be recycled at many retail locations such as WalMart, supermarkets, or Ace Hardware
- ◆ **NO STYROFOAM**
- ◆ **NO WINDOW GLASS, CERAMICS, DISHES, MIRRORS, OR PYREX DISHWARE**

Mountain Waste & Recycling

P O Box 999  
1058 County Road 100

Phone: 970-963-3435

Fax: 970-963-4205

Email: [getmountain@mountainwaste.com](mailto:getmountain@mountainwaste.com)

Vicious dogs are prohibited within town limits unless properly licensed and all conditions of the code are met. (SMC 6.04.180)

Animal cruelty is prohibited; animals must be properly cared for and treated humanely. (SMC 6.04.150)

Lost your dog? Call Code Enforcement! We may have picked it up, or seen the dog somewhere.

**Feral Cats:** The removal of feral (domestic and un-owned) cats is the responsibility of the property owner, not the town.

It is prohibited to keep any cattle, horses, swine, sheep, turkeys, geese, roosters or goats within any zoning district of the town. (SMC 6.08.015) chickens, with an appropriate permit are allowed. (SMC 6.08.017)

**Wildlife problems:** The Colorado Division of Wildlife handles complaints about damage or other problems involving wild animals. They can be reached at 970-947-2920

#### **Automobiles, Parking and Traffic**

The unsheltered storage of an inoperable or junk vehicle for thirty days or more on any private property within the Town limits is prohibited. (SMC 10.10.020)

It is the responsibility of both the occupants/owners of the property and the vehicle owner to remove inoperable or junk vehicles (SMC 10.10.050)

If it becomes necessary for the Town to remove an inoperable or junk vehicle the

cost of the removal and a 15% administrative fee will be assessed. (SMC 10.10.060)

#### **International Property Maintenance Code**

For the purpose of providing minimum standards for existing residential and nonresidential structures, equipment, and facilities for light, ventilation, space, heating, sanitation, protection from the elements, life safety, safety from fire and other hazards, and for safe and sanitary maintenance, the town has adopted by reference as its Property maintenance code, the 2009 international Property maintenance Code, published by the International Code Council. (SMC 15.04.050)

All Buildings within the Town limits must display property numbers that are clear, legible, at least 4" in height. (SMC 15.02.270)

The owner or occupant of any lot, tract or parcel of ground within the town having a sidewalk along or adjacent to any boundary thereof shall cause all snow and ice to be removed from the sidewalk within twenty-four hours from the time of the last accretion of such snow or ice upon the sidewalk. (SMC 12.04.020)

#### **Questions about Code Enforcement?**

**Drop 1 Toilet Dye into toilet tank**

**Wait 20-30 minutes**

**If dye appears in toilet bowl, your toilet has a leak**

**Flush toilet to remove dye**

**Biodegradable and Environmentally Safe**

---

**ADDITIONAL WATER SAVING TIPS**

1. Check faucets and pipes for leaks.  
A small drip from a worn faucet washer can waste 20 gallons of water per day.
2. Install water-saving showerheads and low-flow faucet aerators.  
Long hot showers can use five to ten gallons every unneeded minute. Limit your showers to the time it takes to soap up, wash down, and rinse.
3. Do not use the toilet as an ashtray or wastebasket.  
Every time you flush a cigarette butt, facial tissue, moist wipe or other small bit of trash, five to seven gallons of water is wasted.
4. Insulate your water pipes.  
You will get hot water faster and avoid wasting water while it heats up.
5. Use your dishwasher and clothes washer for only full loads.  
Automatic dishwashers and clothes washers should be fully loaded for optimum water conservation.
6. Keep a bottle of drinking water in the fridge.  
Running tap water to cool it off for drinking water is wasteful.
7. Turn off the water after you wet your toothbrush.  
Save 2,880 gallons of water a year.
