

Aftercare Drive Through Drop Off

Residents from Midway Residential Care and Wright Care have been served through the Aftercare program at Westminster monthly for 35+ years. In this pandemic, they have been unable to leave their facilities or have family visits. The facilities need the items listed below for their residents.

Please drop off items Tuesday, September 29, from 5-7 p.m. at the Westminster Gym Door Entrance. The items will be picked up on Wednesday.

Important: Please purchase your items from one of the lists below and label your bag or box with the facility name—**MIDWAY OR WRIGHT**.

Note: This drive will meet the current needs of the residential homes. WPC will continue the Aftercare Christmas bags for our friends beginning mid-November. Thank you!
