

Parking at Westminster for EASTER!

Please be advised that parking areas for this Easter are designated by the **PINK** areas below, including the grassed area behind the **Emory Road House**. Also consider:

- **Visitor + Accessible Parking:** Visitors and our more senior members should utilize the parking spaces near the main entrance to the church. If you're able, please help by parking in spaces that are farther, i.e. Street or The Pit (see below).
- **Street Parking:** Only park on the **CHURCH-SIDE** of Pineville or Emory. We do NOT want to park on our neighbors' lawns (🚫). While their kindness has been so appreciated, we must do our best to demonstrate consideration for their property.
- **Parking at SHS/The Pit:** We need volunteers to park in the SHS "Pit Field" parking lot on Emory Road+Dupre Drive. These volunteers could perhaps be among the healthiest of our congregation, and perhaps families with older children who can walk. Consider having a family member drop off the family at the church and then park at the Pit Field lot and walk over. There are 30 parking spaces in the Pit Field lot. While the distance is not great, **A GOLF CART** will be available to help you and your family to and from church.

We look forward to worshipping with you on Easter Sunday. He is RISEN indeed!
