Hear better, Live fully

Welcome to EPIC Hearing Health Care. Our Hearing Service Plan (HSP) is dedicated to providing you and your family members with the highest quality of hearing care possible.

Hearing loss is increasingly affecting the quality of life for millions of Americans. Through EPIC's HSP, **Day Insurance Solutions, LLC** offers a complementary program for managing hearing care and obtaining hearing aids through a national network of high quality providers.

Beginning with a thorough medical/audiological evaluation of your ears and hearing, our specialists will determine the course of treatment best suited to improve your hearing, whether hearing aids or surgery.

Access

Your Hearing Health

Your ability to hear others, whether loved ones, friends, or co-workers, is too important to be ignored. Through EPIC, you can easily access benefits that are tailored to your hearing needs.

Hear

Better, Live Fully

Today's advanced technology delivers the clearest sound quality ever developed. With EPIC's brand-name personal hearing systems, you will choose from a variety of choices and styles.

Speak

With a Hearing Counselor

The first step in your improved hearing is a consultation with an EPIC Hearing Counselor. Our Counselors will refer you to our nationwide alliance of physicians and hearing professionals.
