Not all generic prescriptions are included in this program. Ask your prescriber to recommend a generic alternative to your current medication. The list of generic prescriptions is subject to change. To qualify for program price, new prescriptions must be ordered in person, refills may be ordered on-line or by telephone. Prescriptions must be picked up at the store to be eligible for the program price. This offer is available at participating pharmacies only. Offer valid on up to a 30 day supply of commonly supplied dosages, please refer to eligible amounts above. We reserve the right to modify or discontinue this program at any time.

*Medications listed from the Women's Health category are now available for \$9.

More than 300 generic prescriptions are just \$4 each!*

For your convenience, this medication list is displayed by the most common use (health category). If you cannot find a medication on this list, please consult the Alphabetical listing or your Dillon's Family of Pharmacies.
