

13. Psalms 119:97-104

- ❖ **Principle #13: Rule #9: *The Coach will make you wise!***
- ❖ **Practice #13: Listen to the Coach for your wisdom. Understanding comes from the Lord.**
- ❖ **Explanation: Wisdom comes from God. You will be wiser than your enemies, teachers, and elders when you learn to listen to Him because He is wiser than your enemies, teachers, and elders. Understanding comes from God. If we want understanding, which leads to growth and emotional maturity, we need to think about the Lord's commandments. Learning to listen to God gives us unearthly wisdom. You will truly be a "wise guy" if you learn to focus on and listen to Him. Don't listen to others unless they are listening to Him and their voice speaks for Him.**
- ❖ **Application: How do I know I am only listening to God? How do I test the wisdom of others to see if it is Godly? How am I reviewing all wisdom in light of His commandments and teaching?**
