

15. Psalms 119:113-120

- ❖ **Principle #15: Rule # 11: *Reject bad character.***
- ❖ **Practice #15: Don't associate with losers. Losers in this game are those that don't or refuse to obey God's rules.**
- ❖ **Explanation: Bad character corrupts. We are to be in the world but not of the world. What does this mean? It means people are more likely to pull you down than you are to pull them up. Does this mean we should not associate with anyone that is not following God's rules or laws? Of course not. What it means is there are many who know the rules but choose not to follow them. These are called "evil-minded people". There will be a day of reckoning. When this comes they will perish. You want to be on the Lord's side in this game. They don't. Reject them if they corrupt you.**
- ❖ **Application: How did I do this week in identifying and disassociating from those of evil character that would bring me down and out of God's will?**
