

16. Psalms 119:121-128

- ❖ **Principle #16: Rule #12: *Learn the Coach's signals.***
- ❖ **Practice #16: Watch the Coach for His special signals. Don't get caught off base.**
- ❖ **Explanation: Each coach has his way of signaling his players what to do. The Bible says, "My sheep know my voice." In other words, only the Coach's own team members know his personal signals for when to go and when to stay and how to play the game. The other team, the enemy, will try to steal the signals and use them to confuse you. But if you first learn the Coach's signals and then only get your signals from the Coach-the Lord, you won't get picked off.**
- ❖ **Application: How did I do watching for and learning my Coach's signals this week?**
