

The Future of Employee Benefit Administration

Please Respond!

Good News!!!! Better Service!!!! Check it Out!!!!

The VFlex Debit Cards will be available soon. We are in the process of changing Debit Card providers and will be contacting you to take advantage of this great opportunity.

Advantages:

With The VFlex Card employees have instant access to their account funds for eligible health care expenses – right at the point of service – either at the pharmacy counter, dentist, optometrists or doctor’s office – wherever Visa cards are accepted.

VFlex Cards make sharing the cost of benefits easier on everyone. So whether you offer an FSA, HRA, HSA or other fixed-dollar employee benefit account, with VFlex you can:

- Increase participation and contribution levels.
- Offer an employee benefits while *saving* your company money – (higher participation equals greater FICA savings).
- Significantly reduce administrative hassles with the virtual elimination of paperwork.
- Provide employee access to multiple accounts (e.g. FSAs, HRAs, HSAs) with just one card.
- Eliminate the need for employees to “pay twice” and wait for reimbursements.
- Use the **ONLY** proven method to substantiate and allow only eligible transactions whenever the card is swiped.

Cost:

These costs are in addition to your current fee.

Annual Fee \$100

Monthly per Participant fee \$0.50
