

## The Choice is Yours!

What we are offering, when used properly, will eliminate some of the day to day questions that employers and employees have when working with Third Party Administrators.

Our system has a built in communication devices that keep the Administrator and the Client informed of activities when they happen.

We are able to provide live demonstrations of the Superadmin.com System upon request.

Working together, we will take Administration into the future.

## Opening the door to opportunities!

# Cost Effective Benefit Administration

Call our office, let us show you the future of Benefit Administration.

Vantage Flex, LLC is a nationally marketed administration company. We offer full service plan administration,

or the option of self administration with technical support.

With an aggressive approach to marketing and superior service we have successfully expanded our client base to 29 states.

We have been instrumental in the design, development, and marketing of the Superadmin.com administration system created by Phoenix Interstate Data Systems.

## Our Services Include:

Section 125 Flexible Spending Accounts (FSA)

Section 132 parking and transit plans

Health Reimbursement Arrangements (HRA)

Health Savings Accounts (HSA)

Self funded dental and

Self funded vision plans

## Our System:

The Superadmin.com Administration System has been designed

Our program is a rule based system to help minimize administrative mistakes.

over several years, and is currently used by more than Ten

Third Party Administrators nationally. Through our expertise and their suggestions we improve the functioning ability of this system on a regular basis. We will customize the system to fit the needs of your business, its employees, and their dependants
