

# Client Endorsements for The Charlotte Lake Group

## **Bryn Hill -**

I chose to work with David because we had met through mutual friends (another local Realtor) a year prior and throughout that time I found him to be trustworthy, of high work integrity and very entertaining. When it came time to purchase, there was no question who I wanted to help me with this life change. David met and surpassed my expectations- being available on short notice to view properties, having patience with several last minute contract changes and doing whatever needed to be done in order to ensure the deal went through. I would and do highly recommend David Henderson to anyone in need of a real estate professional. Thank you- Bryn Hill

We moved to the Lake Norman area six years ago, and bought our first home here with David. He is an amazing agent. We have bought and sold properties with him, and referred several close friends and family members. He treated each with the same professionalism and dedication. He will get you the right house, not just a house. I would not buy or sell a house without him!

David and Camille did an awesome job for me. His team was very aggressive in getting top dollar for my home, very helpful and answered questions in a timely manner. Wouldn't hesitate to recommend to anyone, in fact have recommended him to my daughter who is in the process of looking to buy a house. Far surpassed what I was getting from my previous realtor.

I was very impressed with the personal attention that David gave me. I would recommend his team The Charlotte Lake Group to everyone. They showed me new homes as well as existing all around the Lake Norman Area. I felt as though he and Camille have a great relationship and work well as a team. She is just fantastic as well. They are both very friendly, wonderful to get along with and their professional is top notch.

My Agent David Henderson is an amazing Agent. At the time i was looking for my home he hit the pavement running. Every day for 6 months he sent me listings and most of the time he met my husband and I there. I was part of a program call NACA he had never heard of it, but that did not stop him from providing me the best service ever. He knew what i wanted and he made sure i got what i wanted. I still love my home David. Thank you so much, you became a part of my family after that experience. Hope to see you soon Patricia Young

David and Camille guided us every step of the way from selling our house to buying a new one. They told us specifically what needed to be done to prepare and sell our old house. They were always available to answer questions big or small.

David and Lori were very professional and personal during our time searching for a home. Their patients with me and my wife was remarkable considering the amount of homes that we looked at and the time it took to finally decide on the one that we purchased. We have a few plans involving the sale of some property coming up soon and we are going to us Charlotte Lake Group as our agents. They are the best at what they do.

I personally worked with Camille Marshall in early 2012 to both sell a home in Denver NC and purchase another home in Mooresville NC. Camille spent extensive time helping me select a new home and was able to sell my previous residence in a very short period for nearly listing price. Without her help and extensive knowledge, this entire process would have been very costly and stressful. Camille is a true professional and will gladly do what it takes to achieve results.
