The GEAR UP™ Folding Floor Stand Series stores upright **6, 4 (PICTURED)**, or **2** Bicycles depending on the specific model purchased. All 3 operate by simply spreading the frame apart (as shown in the picture). Should it ever become necessary, a locking key has been included to tighten the SHCS (Screw) at the top of one side of the frame.

The Folding Floor Stand comes completely assembled and ready to use. Simply open the box, remove the stand, pull the frame apart. You are now ready to store your bicycles.

When not in use, the Folding Floor Stand can be folded flat for ease of storage.
