## INSTALLATION INSTRUCTIONS

### MODEL: 36025 GARAGESAVER

**Thank you for your purchase.** We take a **SATISFACTION GUARANTEED** approach to our business and products and will do everything possible to ensure your complete satisfaction. Please do not hesitate to call us on our toll free line (800-346-7332) if we can be of assistance.

The Garage Saver is an innovative product that allows you to park two bikes of any style either side by side or opposing. The wire form parking brackets can be set up in any configuration you choose so that storing your bikes is a breeze in any situation.

#### Bill of Materials:

36025A - Foot Crossbar	2
36025B - Non Slip End Cap Feet	4
36025C - Wire Form Parking Bracket	4
36025D - Washer	8
36025E - Locking Nut	8
36025F - Assembly Tool	1

#### Instructions:

Determine which configuration will best work for your storage situation as this will effect the direction you insert the (4) 36025C Wire Form Parking Brackets.

Next, insert one end of a 36025C into one of the square holes in the Foot Crossbar 36025A, making sure the threaded end goes all the way through the hole and the Wire Form Parking Bracket sits flush against the Foot Crossbar. Attach (1) Washer 36025D on to the threaded end, and lightly tighten (1) Locking Nut 36025E on the threaded end. Bear in mind that which ever way you set up an outside Wire Form Parking Bracket is the direction you must set up the Wire Form Bracket next to it.

Repeat until all 4 Wire Form Parking Brackets are inserted into 1 36025A Foot Crossbar.

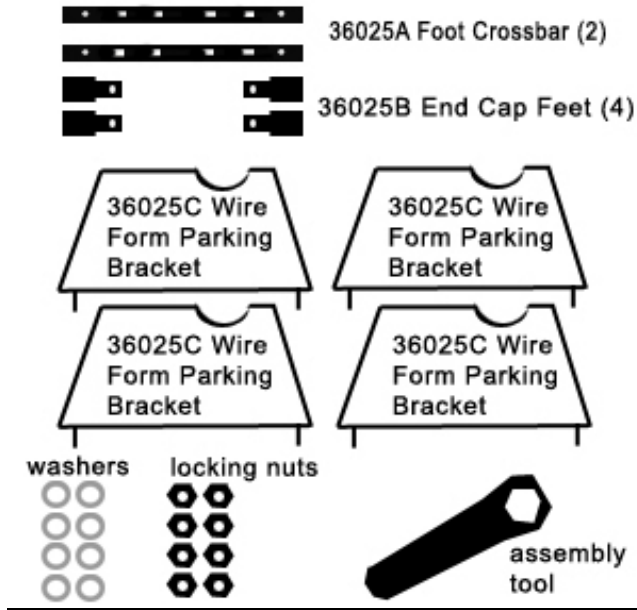

Now, take the final Foot Crossbar and line up the other threaded ends of the Wire Form Parking Brackets with the square holes. Fit the Foot Crossbar over the threaded ends and attach a Washer and Locking Nut on each threaded rod.

Using the provided tool, tighten all of the locking nuts.

Finally, Fit (1) Non Slip End Cap Foot over one end of a Foot Crossbar and spin until the snap button located in the Foot Crossbar snaps into place inside the hole in the Non Slip End Cap Foot.

Repeat for the remaining Feet. Your Rack is ready to use!

PLEASE SEE THE DIAGRAMS ON THE BACK FOR ASSISTANCE IN ASSEMBLY

## **WARNING**

***DO NOT STEP, CLIMB, OR HANG ON THE STORAGE RACK***

***DO NOT ALLOW SMALL CHILDREN OR PETS TO PLAY IN, ON, OR AROUND THE STORAGE RACK. IMPROPER INSTALLATION AND/OR USE OF THE STORAGE RACK COULD CAUSE SERIOUS INJURY AND/OR DEATH.***

User assumes total responsibility for the proper installation and use of this product. GearUp Inc. will not be held liable for damages or injuries resulting from the installation and/or use of this product. If the installer or user is unsure of the requirements described herein, it is his/her responsibility to seek adequate professional assistance or contact our customer care center at 800-346-7332. **REMEMBER** – stored items can fall resulting in injuries and/or property damage when not properly installed or used.

**THANK YOU** again for your purchase. We have worked hard to make sure the product you purchased is of top quality and that all parts and necessary instructions have been included. If we have overlooked anything, or if we can be of assistance, help walk you through installation, or offer tips on how to use our product, **PLEASE** give us a call on our **Toll Free Customer Hotline 800-346-7332.
