Include participating Renaissance Kids student's name and age, and parent's name. Include your contact number for Skype. You can also request a QR access code be sent to your email.
2. Choose a Bingo Card. There are 18 here to pick from! Print them all and shuffle them up, or, choose a random page and print it out. Don't everybody pick from the first page. One card per player, please.
3. Cover your "Free Space" in the center. You can use Bingo Chips, a marker, crayon, or pencil.
4. When the Bingo Caller, Mrs. Padron, calls a Letter and Number, look for that place on your card and mark it. First, find the letter that was called along the top of your card. Then, look straight down the column beneath that letter to see if you have the number called. If you do, mark that place with a cop or other marker.
5. The Caller will check your card to verify that you have won, so don't remove any chips until your card has been checked.
6. Be kind and courteous to your fellow players.
7. Good luck and have fun!

WE WILL PLAY EVERY FRIDAY AT 2:00 PM VIA SKYPE BEGINNING
