Fall 2019 Art and Music for Homeschooled Students

We are happy to begin our second year of a class designed to fulfill the art and music requirements for parents that are homeschooling their children. This weekly class will consist of one hour of art and one hour of music, back-to-back, for ages 5 through 16. Students will be separated into two groups according to their ages.

The art portion of the program includes step-by-step instruction in drawing, painting, collage, sculpture, printmaking, and art history. Topics explored will include composition, color theory, perspective, drawing from life, use of materials, and technique. Students will be taught by teacher demonstrations and through individual help. All art supplies are included.

The music portion will include ear training, rhythm basics, music theory, music literacy, basic piano, and music history. Activities will include drumming, singing, movement, listening, hand bells, music learning games, piano, and other activities designed to aid in learning.

Classes will meet on Tuesdays, from 10:00 am - noon, once per week for two hours (one hour of music, one hour of art). The fall session will begin on Tuesday September 10 and run through Tuesday, December 17, 2019, for a total of fifteen 2-hour sessions.
