

SUMMER CAMP 2023

1343 Route, Pleasant Valley, NY 12569

(845) 452-4225 www.renkids.org

Since 2005, it has been our privilege to provide unique and fun summer learning opportunities for students ages five to sixteen. There are different activities during each of our six summer camp weeks. We are blessed with a beautiful, comfortably shady backyard, so that we are able to be inside (air conditioned), and outside, throughout the camp day.

All programs have been designed right here at Renaissance Kids, Inc. We teach real skills in fun and imaginative ways, and strongly believe that music and the arts provide positive outlets for individual expression. Our camps, like our year-round classes, provide opportunities for students to work effectively with others and as develop their unique individual abilities. We strive to inspire students to seek creative solutions to problems and to help them discover their full potential.

A description of what is covered during each weekly Summer Camp session can be found below. Please note that some themes are being offered during more than one session, but the activities are not repeated and are completely different for each of the sessions. The regular camp day begins at 9:00 am and ends at 2:00 pm, Monday through Friday. For parents needing an early drop-off (8:00 am) or late pick-up, please pre-arrange the days and times that you need. The cost is \$15.00 per hour for the amount of additional time that you would like. Students that are here for after-hours partake in arts, crafts, music, acting, and other games and activities. There is an early-bird discount for registering by April 30, 2023, and an additional discount for currently-registered Renaissance Kids students (please refer to the registration form for details). All campers should bring a lunch, snack, and extra water. Feel free to call us with any questions.
