Dear Parents,

Lee Christian School, once again, needs to update your information for our automated phone notification system, *OneCallNow*. This system allows us to notify every phone number you provide in the event of an emergency. **We will, also, be making non-emergency school announcements to every number you provide to us.**

This automated phone notification system is part of our crisis management program. This system is *ineffective* without your most **recent** and most **reliable** telephone numbers on file with the school! We have the ability to call *two* numbers per student. Your caller ID will display the school's name and/or phone number, 708-5115.

Please return this completed form **AS SOON AS POSSIBLE**. This will allow us time to enter your information into the system and be ready to launch messages for the upcoming school year.

PLEASE COMPLETE ALL INFORMATION FOR EACH STUDENT IN YOUR FAMILY:
