

The logo features the word "Greppo" in a white, rounded, sans-serif font. A registered trademark symbol (®) is positioned to the upper right of the final 'o'. Above the letter 'e', there is a stylized graphic of two overlapping leaves. The larger leaf is a vibrant green, while the smaller one behind it is a lighter, semi-transparent green. The background of the entire image is a dark green gradient, with a large, abstract graphic in the upper right corner consisting of overlapping curved shapes in shades of green and blue.

Greppo®

Just Brings Good Things

Our company

We are freshly squeezed, dynamic and professional company with premium touch within beverage production and distribution. Based in Northern Europe. Our dedicated team with many years of experience within the beverage industry are always passionate in assisting our clients. And we're here to bring to the market most distinctive tastes from across the world.

Is grateful to nature for its resources, so while producing high quality products, it accepts responsibility for the health of society and guarantees the natural origin and quality of all its juice one hundred percent.

All our production is fully compliant with the existing quality certification requirements including Halal, Organic, HACCP, ISO, FDA and is ready for rapid distribution in the requested quantities.

 **Grepo** Just Brings Good Things

Natural juice and drinks

Nature is the source of all the best qualities of Grepo® juice, which is why we acknowledge our responsibility for public health and guarantee that we produce only high quality, 100% natural fruit and vegetable juice and drinks.

Grepo® drinks: Wide and delicious drinks variety, manufactured with prime fruits, pasteurized, non-added colorants nor preservatives to bring the best quality and freshness.

All we do is squeeze the juice, pasteurize it, and pour it into freshness protecting packaging.

Sparkling juice and drinks

Enriched with carbon dioxide, the sparkling juice is an exciting enhancement of the regular coconut water or other juice, without losing any of the qualities.

It contains multiple vitamins, minerals, and phytochemicals that are crucial assistants for the health improvement, while the taste is alternated with the addition of the extra sparkle in every serving.
