You'll receive an email before each event with further details. Here are the Cliff Notes:

- * Kickoff is at 4:30. We will be there around 3:30 to begin setup. If we're available, we're happy to help you carry, cart, tote. You'll find very friendly neighbors, too.
- * End time depends on the sun and mother nature. We like to shoot for at least 8:00 during the long summer months.
- * In case of inclement weather, stay tuned to our Facebook page of "Paws in the Plaza Gahanna". Sorry, no refunds for rainouts.
- * Setup is in the area of Creekside Plaza at 117 Mill Street. There aren't assigned spaces - we all work together as people arrive to find the best places to setup.
- * There is a pickup/drop off area right in front of the plaza. Once your things are unloaded you can park in the adjacent FREE parking garage and then setup.
- * There is plenty of room to expand and grow as necessary, so we never "sell out" of spaces.
