Re: Center closings, delays and early dismissals

JOFCCD has been following Charles County Government closings and delays for weather related emergencies. This has posed a problem for the center as well as parents. Charles County Government usually will not make an announcement until 6 a.m. which is too late for notifications for parents and staff. In addition, some of the government closing are not applicable to JOFCCD.

For this reason, we will no longer follow Charles County Government closings or delays effective immediately. JOFCCD will make a decision for weather related emergencies closing or delays by 5:15 a.m. The following methods will be used for notifications to parents and staff:

- Email notification (email must be on file)
- Text message (Cell phone number and carrier must be on file)
- Notification on JOFCCD phone (301-374-6685)

JOFCCD is currently working on parents receiving notifications vis schoolsout.com and once this is set up we will prepare a notification to parents so that they can register for this service.

**The following information must be completed by all parents in order to receive notifications of any closings, delays or early dismissals.**

Thank you for your patience as we continually improve upon the services we provide to our families.
