

Session Business

December 20, 2020

1. A motion to sustain the Senior Pastor's current Terms of Call in 2021 was approved and will be brought before the Congregation as required by the *Book of Order*.
2. Net funds from the recent Pumpkin Patch will be used to purchase wood signs for the sanctuary and family life center.
3. The Task Force to consider purchase of pews selected a custom-crafted pew design with upholstered seat, wood back with a medium blue, durable fabric. The funds for this project are part of a testamentary gift. As soon as these funds are received, the Session authorized the Senior Pastor to sign the purchase contract for these pews, including seats for the choir.
