Our Vision:

Our vision is **strong, self-sufficient Native American communities**, and our services work toward this goal.

PWNA DELIVERS ONLY NEEDED GOODS & SERVICES

We want to make sure the products we send fit your needs. Please call us if they don't so that we may better serve you!

Beginning in February of 2016, PWNA will be starting a new zone delivery schedule. This new schedule will help streamline our distribution efforts to all of our Program Partners.

Why are we making this change? Most months only have four weeks available for deliveries. So, rather than our usual five zones and a five-zone schedule, we are changing to four zones consistent with the calendar.

What does this mean for you? Your deliveries will be made on the same

week as your zone. Zone 1 deliveries are made in week 1 of the month, Zone 2 in week 2, and so forth.

February						
S	M	T	W	T	F	S
31	1	2	3	4	5	6
7	8	9	10	11	12	13
14	15	16	17	18	19	20
21	22	23	24	25	26	27
28	29					

Program Partners currently in Zone 5 will be assigned a new zone and delivery schedule. Other partners may also be assigned a new zone.

PWNA will let you know about any changes specific to your program by no later than January 31, 2016. We will be sending you this information by email or fax — please watch for it. You will also be receiving a new zone delivery calendar in your January delivery packets, and you can download it from our website at www.swnativepartners.org.

If you have any questions about this, please ask your service coordinator, Leslie Escobar or Shannon Hadley.

Staff Shout Out!

Chad Suchy is PWNA's Inventory Control Specialist for our Southwest program office. Chad makes sure our inventory is in stock, in date and being shipped to you in good condition!

This past summer, Chad had the opportunity to be a part of a community event with the One World Play Project (OWPP) and the Baca Community School. He was delighted to help distribute the indestructible futbols donated by OWPP and teach the youth a few soccer skills. One of the priceless moments Chad likes to see is the smiles on the faces of Native youth at our partners' events.
