PARTNERSHIP WITH
NATIVE AMERICANS

REQUEST FOR USE OF PHOTOGRAPH

Name	Description (clothing, jewelry, hair, glasses). Please be specific so we can identify you.	Signature

It is very important that the donors that support PWNA programs, whether through donations of goods or money, see how their donations are used to improve the quality of life for the communities we serve. This is true whether the donor gives once a year or several truckloads of goods. We would greatly appreciate your help in sharing with our supporters through photographs how the hard work and dedication of the Indian community ensures that the donor's contributions go to people in need. It is for this reason that we are asking for your permission to use your picture. Pictures are truly worth a thousand words!

In an effort to assist the programs of Partnership With Native Americans, the aforesigned does hereby authorize PWNA to photograph and to use said photograph, photographs, and/or audio/video material in advertising, merchandising or publicity in any and all media, without geographic or time limitations.

My signature above represents and warrants that the undersigned has full authority to grant the foregoing.
