Aging may have
slowed me
down, but it
hasn't shut
me up!

**THE OLDER I GET, THE MORE I HAVE

REPLACED!**

Rest Your Mind

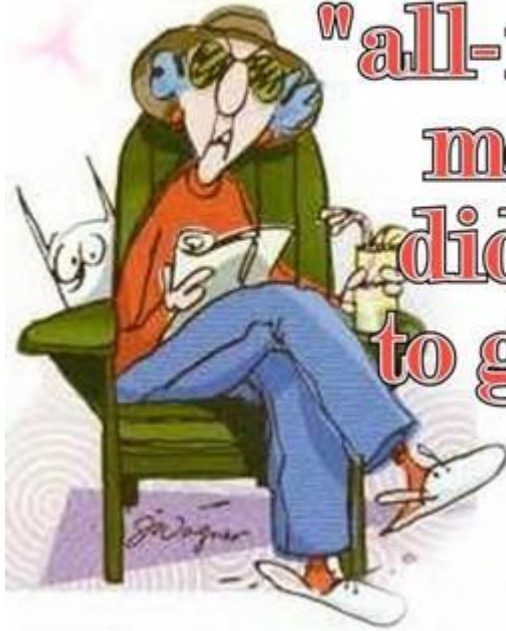

I know you have been laying awake at night wondering why baby diapers have brand names such as "Luvs", "Huggies," and "Pampers", while undergarments for old people are called "Depends".

Well here is the low down on the whole thing.

When babies crap in their pants, people are still gonna Luv'em, Hug'em and Pamper' em. When old people crap in their pants, it "Depends" on who's in the will!

Glad I got that straightened out so you can rest your mind.

I'm at the age
where an
"all-nighter"
means I
didn't have
to get up to
pee
