

DO NOT QUIT YOUR JOB

As the mandates are increasing and the "deadlines" fast approach, YOU SHOULD NOT QUIT YOUR JOB. Do not be fooled if your boss says you must resign. Make your boss fire you and do not sign anything or agree to anything that says otherwise. Do not agree with "voluntary resignation." If you are fired, you are eligible for unemployment. Anything else and you are not.

If you are fired, you place the costs back on them and you get or you fight for unemployment benefits. Let them experience the burden associated with their choices. Avail

In 1899, thousands of newsboys formed a union and took on media moguls to demand better wages. Most of them ranged in age from **7 to 12 years old.**

In 1951, Walt Disney hired a woman named Thelma Howard as his housekeeper and cook. She worked for the Disney household for 30 years and became a part of the family. Every year for Christmas and birthdays, Disney gifted her shares in his movie studio, but she never sold them. Eventually, her estate grew to be over \$9 million, which was divided between her son and her foundation.
