"One of the best comments I saw online was from someone in the Yahoo News comments section, who said that Trump reminded him of a doctor with no bedside manner. He tells you that you need to lose 100 pounds and stop smoking. You're offended, you're angry, you come up with 10 reasons why he's crazy... and then you finally realize that he's the only one telling you the truth."

-Mike Huckabee
