**HUGE BREAKING NEWS!**

**Ruby Freeman (the Democrat suitcase blonde-braid woman in GA) has been arrested! She has acknowledged to law enforcement and investigators her role in the Fulton County methods of GOP witness complaints and the after hours ballot scheme count. She has confirmed her training and the DNC election directives - directly implicating coordination by Stacy Abrams - in the intentional mishandling and processing of mass ballot counts. She also has implicated and named Dominion Officials in Fulton County in charge of the ballot machines engaged and confirmed methods on jump drives to tabulator changes at the adjudication. It only takes one arrested participant to give full confirmation of the evidence already collected. Ruby is requesting complete amnesty for exchange of her testimony.**
