Things are moving today. Trump is at Cheyenne Mountain as we speak, looking at the evidence taken from Pelosi's laptop real-time. My sources say Pelosi was stopped at the border last night at 11:55 and will be headed to an undisclosed location pending the tribunals and trails.

Sidney Powell and Lin Wood are in front of military judges today. The 195K sealed indictments (I know there are higher numbers out there but not all are related to this op) and there will be sweeping arrests before the weekend is over.

Everyone should stock up today and be prepared to hunker down for 10-12 days while the Trump Team takes action and the new Government is put in place.

For those wondering, Pence did his duty. He did not betray Trump. Without his actions there would have been no insurrection. Now Trump has them where he wants them.

Twitter has disabled the hashtag #1984.

It's probably a good time to read the book again.

"THE PARTY TOLD YOU TO  
REJECT THE EVIDENCE OF YOUR  
EYES AND EARS. IT WAS THEIR  
FINAL, MOST ESSENTIAL  
COMMAND... AND IF ALL OTHERS  
ACCEPTED THE LIE, WHICH THE  
PARTY IMPOSED, IF ALL RECORDS  
TOLD THE SAME TALE, THEN THE  
LIE PASSED INTO HISTORY AND  
BECAME TRUTH" 1984 - GEORGE  
ORWELL

It's heartbreaking to recall that Republicans in the House and Senate could have repealed Section 230 and stopped tech censorship before it became a monster. They didn't do it, and now it is unleashed in full force against us
