The New York Times

Daniel Kaminsky, Internet Security Savior, Dies at 42

If you are reading this obituary online, you owe your digital safety to him.

Mememes

Have you listened
to a single word I
just said?

That's a weird
way to start a
conversation

**The people
conducting the
audit in AZ are
asking for our
prayers. They are
under great
pressure,
intimidation and
death threats. 🙏**
