### **HENRY KISSINGER IN A SPEECH TO THE WORLD HEALTH ORGANIZATION COUNCIL ON EUGENICS FEB 25, 2009**

**"Once the herd accepts mandatory forcible vaccination, it's game over! They will accept anything—forcible blood or organ donation—for the "greater good." We can genetically modify children and sterilize them—for the "greater good." Control sheep minds and you control the herd. Vaccine makers stand to make billions, and many of you in this room today are investors. It's a big win-win! We thin out the herd and the herd pays us for providing extermination services. Now, what's for lunch, huh?"**

**Dr. Henry Kissinger**
