

HUSBAND'S MESSAGE:

~Honey, I got hit by a car outside of the office. Tina brought me to the Hospital. They have been doing tests and taking X-rays. The blow to my head though very strong, will not have any serious or lasting injury. But i have three broken ribs, a broken arm, a compound fracture in the left leg, and they may have to amputate the right foot.

WIFE'S RESPONSE:

~Who's Tina?!

© Riley Hospital for Children

A school in Iowa allows students to receive physical education credits by helping do yard work for senior citizens and people with disabilities.
