MEMES

The best kind of people are the ones who come into your life and make you see the sun where you once saw clouds. The people who believe in you so much, you start to believe in you too. The people who love you, simply for being you. The once in a lifetime kind of people.

Never heard of Althea Gibson? Now you have

**HISTORY
HUSTLE**

Althea Gibson grew up in Harlem, at one time in a shelter for abused children. She excelled at tennis, but because of race, was effectively banned from the US National Championships until backlash changed that. Gibson was the first Black athlete to win a Grand Slam tournament, and was the #1 ranked woman in the world. She was the first Black woman on the covers of Sports Illustrated and Time, and the first Black Wimbledon champion, receiving the trophy personally from Queen Elizabeth II.
