New Trump statement responding to Facebook's decision to uphold its ban.

### Statement by Donald J. Trump, 45th President of the United States of America

What Facebook, Twitter, and Google have done is a total disgrace and an embarrassment to our Country. Free Speech has been taken away from the President of the United States because the Radical Left Lunatics are afraid of the truth, but the truth will come out anyway, bigger and stronger than ever before. The People of our Country will not stand for it! These corrupt social media companies must pay a political price, and must never again be allowed to destroy and decimate our Electoral Process.

## Mark Zuckerberg

Facebook

Controls what you're allowed to share, mandates the opinions you're allowed to express.

## Jeff Bezos

Amazon

Controls what you're allowed to read or watch, bans vaccine documentary movies that don't conform to the lies of the CDC.

## Jack Dorsey

Twitter

Controls all public debate by selectively silencing those who express political views that Dorsey doesn't like.

## Tim Cook

Apple

Colludes with China to suppress human freedom, bans apps that dare to tell the truth about infanticide or the rise of Satanism.

## Sundar Pichai

Google

Controls what you're allowed to find, suppresses human knowledge to keep humanity enslaved under "official narratives."

## Jimmy Wales

Wikipedia

Runs an industry-organized, coordinated smear engine to discredit and suppress all independent scientists, naturopaths and journalists.

It's time to **END TECHNO-FASCISM** and defeat these fascists like we once defeated Hitler and Mussolini.

Humanity can never be free as long as Dorsey, Zuckerberg, Bezos, Cook, Pichai and Wales are in charge of everything you're allowed to speak, read, write, share, post, view or create.
