

“If ever again our nation stumbles upon unfunded paper, it shall surely be like death to our body politic. This country will crash.”- George Washington, 1732-1799

“If the American people ever allow private banks to control the issue of their currency, first by inflation, then by deflation, the banks...will deprive the people of all property until their children wake-up homeless on the continent their fathers conquered.... The issuing power should be taken from the banks and restored to the people, to whom it properly belongs.” . . . “Paper is poverty. It is the ghost of money and not money itself.”– Thomas Jefferson, 1743-1826

“History records that the money changers have used every form of abuse, intrigue, deceit, and violent means possible to maintain their control over governments by controlling money and its issuance.” – James Madison, 1751-1836

It is well enough that people of the nation do not understand our banking and monetary system, for if they did, I believe there would be a revolution before tomorrow morning. Henry Ford

Lisbon Court Rules Only 0.9% of 'Verified Cases' Died of COVID, Numbering 152, Not 17,000 Claimed

Following a citizen's petition, a Lisbon court was forced to provide verified COVID-19 mortality data, reports AndreDias.net.

According to the ruling, *the number of verified COVID-19 deaths from January 2020 to April 2021 is only 152, not about 17,000 as claimed by government ministries.*

All the "others" died for various reasons, although their PCR test was positive.

"We live in a fraud of unprecedented dimensions," wrote Dias.

I made it clear that through my lawyer I would begin to demand the status of all other employee's health condition in regards to other forms of communicable diseases. We would be demanding information on employee's with aids, hepatitis, flu, STDs, measles, mumps, and so on. My lawyer already had the papers drawn up so I could serve him the first day he tried it and part of the suit would be to force the company to make immediate policies to section off employees who had any illness they could spread, including the common cold. If they were going to take responsibility in stopping the spread of covid-19 in the building they were now liable for the spread of anything else.

Within 24 hours we were all informed that they would no longer demand to see our papers.

Mel Gibson directing film about the Rothschild Family and hitting the NEW WORLD ORDER!

Attacks on Mel Gibson for the Rothschild movie!!

Mel Gibson has decided to hit the global New World Order agenda by directing a movie about the Rothschild family.

What the movie is about 📄
Of a family of bankers.

These bankers have indebted the entire world through organizations like the Bank of International Settlements and the World Bank, and through global organizations such as the United Nations, CFR, Bilderberg Group.

With every single mention of the Rothschild family the media around the world has already declared war on the director and wants to stop not only the production of the film, but punish Gibson himself.
