# When Albert Einstein Met Charlie Chaplin

 [ThinkingHumanity.com](http://ThinkingHumanity.com)

**ALBERT EINSTEIN:** -What I admire most about your art, is its universality. You do not say a word, and yet, the world understands you!

**CHARLIE CHAPLIN:** -It's true, but your fame is even greater! The world admires you, when nobody understands you!

“Men fight for liberty and win it with hard knocks. Their children, brought up easy, let it slip away again, poor fools. And their grandchildren are once more slaves.”

– D.H. LAWRENCE

"When you see that in order to produce, you need to obtain permission from men who produce nothing - When you see that money is flowing to those who deal, not in goods, but in favors - When you see that men get richer by graft and by pull than by work, and your laws don't protect you against them, but protect them against you -

"When you see corruption being rewarded and honesty becoming a self-sacrifice - You may know that your society is doomed."

Ayn Rand,  
Atlas Shrugged, 1957
