Meet BLM/Antifa PAID "Actor" Jake Angeli. Yeah, Q did NOT send him! He has taken his acting profile down from [backstage.com](https://www.backstage.com/u/jake-angeli/) but I verified it on DuckDuckGo search before posting, confirming he deleted it. I believe he is a full on Luciferian. This guy MUST be arrested!!

### THE ART OF WAR

**gain. What discourages opponents from coming is the prospect of harm.**

**So when opponents are at ease, it is possible to tire them. When they are well fed, it is possible to starve them. When they are at rest, it is possible to move them.**

You attack unexpectedly, causing opponents to become exhausted just running for their lives. You burn their supplies and raze their fields, cutting off their supply routes. You appear at critical places and strike when they least expect it, making them have to go to the rescue.

**Appear where they cannot go, head for where they least expect you. To travel hundreds of miles without fatigue, go over land where there are no people.**

Striking at an open gap does not only mean where the opponent has no defense.

### EMPTINESS AND FULLNESS

As long as the defense is not strict, the place is not tightly guarded, they will fall apart in front of you, as if you were traveling over unpopulated territory.

**To unfailingly take what you attack, attack where there is no defense. For unfailingly secure defense, defend where there is no attack.**

**So in the case of those who are skilled in attack, their opponents do not know where to defend. In the case of those skilled in defense, their opponents do not know where to attack.**

When directives are carried out, people are sincerely loyal, preparations for defense are firmly secured, and yet you are so subtle and secretive that you reveal no form, opponents are unsure—their intelligence is of no avail.

**Be extremely subtle, even to the point of formlessness. Be ex-**
