

## **Special Restored Republic Update 23 June 2021**

Unfortunately, these Restored Republic reports are no longer reliable as they have been compromised by dark elements.

Special Restored Republic via a GCR Report as of Wed. 23 June 2021

**FAKE NEWS: Judy Note: Since Mon. 21 June the Port of Los Angeles has been closed. The Port was the biggest and most active in the world and processed 80% of our global goods and services. As a result, trucking in the US has slowed to a trickle, while hundreds of Cargo ships sat at sea - that were believed to contain Cruise Missiles that targeted the US. FAKE NEWS: Project Pelican: Global Currency Reset:**
